Horse Sale

We will be having a horse sale on Saturday, August 22nd this year. *This is an invitation only sale.* We would be honored to have your quality horses! If you would like to consign, for now I'd need consignment info which consists of:

- Original Registration papers with a signed transfer (please fill out your personal info section completely)
- Footnotes (to include panel info if a breeding age stallion)
- Seller name & contact info
- Agent info, if any
- Fees - \$150/horse

This deadline is April 1st.

The pictures will be due June 1st. I would be happy to take photos for you!

Things to note

- We will not be accepting weanlings or yearlings unless they are by our stallions.
- Horses must be sound and sane.

As in past sales, horses are to be checked in by 6:00 Friday, August 21st. We will then have supper for the consignors, mare owners who have bred mares this year to our stallions, and any buyers who have arrived. I would need an RSVP number later so we can prepare for food. Preview will be at 9:00 Saturday morning and sale time is 2:00 CT.

Commission: 8%

No sale fee: \$100

Must have current coggins and a health at the time of the sale. NO EXCEPTIONS!

As with any horse sale, and horses coming in from several states, I would strongly recommend having current vaccinations in your horses well before sale day. I usually give mine Streptococcus Equi (nasal) Vaccine and Prestige 5 + WNV.

If you have any questions just text or give me a call! ~ Missy
