# PRAYER OF THE HORSE

Feed me, care for me, and when the day's work is done, provide me with shelter, a clean dry bed and a stall wide enough for me to lie down in comfort. Talk to me. Your voice often means as much as the reins. See that I have plenty of water; I need lots of it, especially during the hot summer days and, in the winter, see that I have a warm blanket.

Pet me sometimes, that I may learn to love you and that I may serve you more gladly. Do not jerk the reins and do not whip me.

Never strike, beat or kick me when I do not know what you want, but give me a chance to understand you. Watch me and if I fail to do your bidding, or am uneasy, nervous, or irritable, see if something is wrong with my bridle or saddle or my feet, etc.

When I go lame, I may have corns, a stone or a nail in my foot. If necessary, take me to a good blacksmith.

Examine my teeth when I do not eat. I may have an ulcerated tooth and that, you know, is very painful. If I am not doing well, give me something for worms, for they may be taking my strength.

Do not tie my head in an uncomfortable position or take away my best defense against flies and mosquitoes by cutting off my tail.

Brush and curry me at least once a day, so my hair will shine and be nice and glossy. I want you to be proud of me when you show me to your friends.

And finally, O my Master, when my youthful strength is gone, do not turn me out to starve or freeze. Keep me not out in the rain all night or sell me to some cruel owner to be slowly tortured and starved to death, but do thou, O my Master, take my life in the kindest way and your God will reward you here and hereafter.

You will not consider me irreverent, if I ask this in the name of Him, who was born in a stable.

AMEN

**Notice: Buyers claiming to be tax exempt will be required to fill out and sign a Form 13. All others will be charged 5 1/2% sales tax.**

We urge buyers to examine the horses that interest them prior to the sale. All horses are required to be on the premises the night before the sale. To the best of our knowledge, horses are free of disease or defect, unless called at sale time. Terms of the sale are cash; NO EXCEPTIONS. Drivers license is required for checks. Letter of credit may be requested. The sale personnel may withhold registration papers until the check clears the bank. If any buyer wishes to obtain the registration papers immediately, the horse must be paid for in the currency or certified check.

Any buyer who stops payment on a check will be prosecuted to the full extent of the law. Except as set forth in the last paragraph to soundness, any dispute which arises between buyer and owner on the matter of soundness, condition, printed information, or statements made from the auction block shall be restricted between the buyer and owner.

The highest bidder is to be the buyer. If any dispute arises between two or more bidders, sole authority to settle the dispute as he deems fit is reserved by the auctioneer. His decision is final. The auctioneer reserves the right to reject any or all bids.

The auctioneer, announcer, and employees act as agents only for the sellers, but assume no liability for either the buyer or the seller. Every effort has been made to insure correctness in the catalog, and in most cases, information quoted concerning the horses is taken from official records. However, the auctioneer, announcer, and employees act as agents only for the sellers, but will not assume personal responsibility for errors or omissions. Be certain to inspect any horse of interest to your satisfaction before you buy. Announced changes in catalog information take precedence over printed material in catalog.

There is no warranty, expressed or implied, as to the performance soundness, merchantability, and fitness for any purpose or breeding soundness of any horse offered in the sale. The catalog and information in this auction process is provided by, and is the sole responsibility of the owner. It is also the owner's responsibility to make certain that only correct statements are made public before or while the horse is in the auction arena.

Any catalog information that was procured by the auctioneer does not create, nor does he assume any responsibility for errors or omissions in information in the sale catalog, or for any verbal statements regarding the horse while in the auction arena or at any other time during the auction process. Pregnancy status of mares will be announced on sale day. From this point on, buyer assumes all risks. Return privileges are not guaranteed, unless settled between buyer and seller. The right to No Sale all animals is reserved for all sellers.

Buyers attend the sale at their own risks. Weber & Company Performance Horse Sale employees and the consignors will not be held responsible for accidents to horses and people. All owners and buyers agree to hold harmless and indemnify Weber & Company Performance Horse Sale, Rick and Missy Weber, and all other employees, agents and persons involved on behalf of Weber & Company Performance Horse Sale in producing the sale, from and against any and all liability, debts, claims, suits, losses, causes of action, costs and expenses, including lawyer fees arising from breach of contract, misrepresentation, fraud or any other claim including personal injury, death, or property damage arising from any act, error, or omission, or negligence of owner or buyer or any of their employees, agents, or servants. It is further understood that Weber & Company Performance Horse Sale, Rick and Missy Weber, and all other employees, agents, and persons involved on behalf of Weber & Company Performance Horse Sale in producing the sale, shall not be responsible for any loss, damage, or injury to any person, animal or property arising from or occurring during or in connection with the sale.

All horses sell sound unless otherwise stated in the auction ring. Owners will guarantee horses for soundness until 5:00 pm CT on Tuesday, August 24, 2021. Weber & Company Performance Horse Sale will have a vet on the premises and this vet will be the ONLY vet that can make soundness decisions in order to obtain refunds. Soundness will be based solely on, sight out of both eyes, good air, hit the ground on all fours, and not to crib. Furthermore, this soundness guarantee will NOT apply to horses with problems arising after the sale by buyers hauling or use of the horse.

*I guess you could say horses have always been my passion... maybe weakness or disease is a better description. They have kept me sane for the most part, but that price does not come without some measure of heartache along the way. I know that I could not accomplish everything without the support of my family, who is by far my greatest achievement.*

CAT BLUE C17

5/21/2017 § BLACK MARE § AQHA: 5810334

Wow! This mare has it all...pedigree, looks, she's sweet, and she has many talents. Last year every time Billy would get back to the barn after ranching on her, he'd say, "Well, we whooped 'em again, Josey." The name stuck. She has been a great ranch horse, and now she has started her rope horse career with Will Smith Performance Horses. She will have 2 ½ months training by sale time.

2

YADAYADA CAT C20

5/27/2020 § BROWN MARE § AQHA: 6028069

Another one of Misty's outstanding babies. Very pretty profile and brown color on this filly. She will most definitely follow in her siblings' hoof prints.

The dam to this beautiful filly is one of the best producing mares I've ever owned. Not only do her babies make good performance horses, but they are pretty and easy to look at. I am keeping a 2019 filly as a replacement mare out of Misty. I wish I could keep all her babies! This is what I'd call a magic cross.

5/10/2016 § PALOMINO GELDING § AQHA: 5768668

Hollywood is a sale highlight! An absolute outstanding gelding! As a weanling, Kluenders bought him, trained and hauled him in calf roping, then sent him to Jay Mattson who started him in heading and heeling. We were given the opportunity to buy him back and I'm glad we did. He has so much talent! He has been hauled all spring and summer to USTRA ropings, and to rodeos and jackpots, and has won quite a chunk of change in team roping, with Billy Gallino. He can rope both ends, but really shines on the head side. He scores great, runs to cattle, faces good, and stays quiet. We've ranched on him and he is honest and has a lot of heart. Rusty Kluender and now Layne Wallinger have both achieved a lot of success on full and half siblings to this gelding. They are proven, and will continue to be good honest, solid performance horses.

## 8 MISTER TEE T20

5/2/2020 § PALOMINO GELDING § AQHA: 6047427

This young gelding should have a bright future, if his siblings' career is any indication! We hope he'll continue on the tradition of this cross. He is one of our bigger yearling geldings.

“Lillian” (the quote/ unquote elegant name Rusty Kluender gave her) is just pretty. She has that ‘calf horse’ look to her and moves out real smooth. She has had a couple months calf horse training with Rusty Kluender. Nice horse to ride. Stocky and just the right height. Being born on a frosty morning, the very tips of her ears took the hit, but you probably wouldn’t notice it if not told. This has always been such a good cross, and I am keeping back a full sister as a future replacement mare.

Aptly named, Cover Girl could actually be just that! She is so darned pretty and eye catching in the arena, with her bay coloring and white markings. She has been in tie down calf roping and heeling training with Will Smith Performance Horses. Will says, "Cover Girl gives so much and tries so hard, every time." She earned 1st and 3rd place points in calf roping, and 5th and 6th place points in heeling, in her very first AQHA show competition in the Open Division with Will. By sale day, she will have been in at least a dozen rodeos and jackpots, AQHA competitions and rancing heritage challenges. It will be bittersweet to let this one go. My intentions were to keep her as a broodmare for later on, as she is one of the last daughters by our late stallion Niobrara Rocket. But she is way too talented to turn out to pasture right now. This girl has a very bright future if she is put into the right hands.

Angel was Reece's ranch mare. After she was started, he trained her, and she turned out to be an outstanding horse. Well, he went to Arizona to rope late one winter, and when he got back I had turned her into a broodmare. He wasn't happy because he wanted to start heeling off her. But just look at what she produces! Wow! Jeff and Jill Jones in Missouri have her 2020 roan filly and are very happy with her. This beautiful girl will be the same.

## When I Am An Old Horsewoman

I shall wear turquoise and diamonds  
And a straw hat that doesn't suit me.  
And I shall spend my social security on white wine and carrots,  
And sit in the alleyway of my barn  
And listen to my horses breathe.

I will sneak out in the middle of a summer night  
And ride the old bay gelding  
Across the moonstruck meadow  
If my old bones will allow.

And when people come to call, I will smile and nod  
As I walk past the gardens to the barn  
And show instead the flowers growing  
Inside stalls fresh-lined with straw.  
I will shovel and sweat and wear hay in my hair  
As if it were a jewel.

And I will be an embarrassment to all  
Who will not yet have found the peace in being free,  
To have a horse as a best friend,  
A friend who waits at midnight hour  
With a muzzle and nicker and patient eyes  
For the kind of woman I will be  
When I am old.
